

Critical Alert Universal

Innovative Low Pressure Alarms in a Compact,
Retrofittable Case

Product Description

- Analog Pressure Gauge with Electronic Low Pressure Alarms
- LED Color Coded Status Lights Indicate Cylinder Pressure and Battery Life
- Patented Innovative Design
- Electronic Power Button Technology - Patent Pending

Benefits

- 24/7 Cylinder Content Monitoring
- Minimizes Risk of Costly Gas Interruption
- Delivers Visual & Audible Low Pressure Alarms
- Decreases Expensive Emergency Deliveries
- Extended Battery Life
- Compatible with:
 - Integrated Valve Systems
 - CGA 870 Oxygen Regulators
 - Oxygen Conservers
 - EMS Regulators
 - Industrial Gas Regulators
